Symbol

ગુજરાત વિદ્યાપીઠ

Gujarat Academic Symbol One It is a blooming lotus flower. It is written in Devanagari script. “ *Savidya is liberation* ” That is, knowledge is what sets us free. In Arabic, it is written “ Al-Hikmat”. The thief "Mo mine fahaiso waj daha a hakko be ha. " That means, consider all knowledge as our missing thing and take it without hesitation.

This symbol features a banyan tree. which represents growth. There is also the moon which represents beauty , peace and development. The lotus symbolizes non-attachment , the sacred spirit. The lamps on both sides of the circle symbolize knowledge.

Gujarat Vidyapith was established for education related to freedom . The aim of political freedom was temporary but the devotion to self-liberation and knowledge are our permanent ideals. This devotion should continue to grow like the banyan tree and the moon with the feeling of non-attachment of the lotus.

Gujarat Vidyapith

(Deemed to be a University)

(Established by Mahatma Gandhi in 1920)

Gandhiji started a nationwide movement of non-cooperation in 1920. As a part of this movement, he gave special importance to the boycott of English schools and colleges. He also had to rebuild the country along with non-violent struggle. That is why Gandhiji also gave constructive programs like the eleven vows. The importance of national education was fully emphasized in these programs. Gandhiji created a positive atmosphere for the construction of a national university along with the call for boycott of English education. As a result , the Gujarat University was established by Gandhiji in 1920. Gandhiji wanted public awareness and innovation through education. In his inaugural speech of the Gujarat Mahavidyalaya affiliated to the Gujarat University, he said , ' I have only given a mantra. If a farmer's son can do it, then I have done the work of a sage. ' Gujarat Vidyapith, which has a glorious history of a century, continues to provide education based on Gandhian thought. Three H - Head , Hand , and Heart - Head , Hand , and Heart - It provides holistic education to students through the development of.

Gujarat Vidyapeeth has been deemed to be a university by the UGC (University Grants Commission) since 1963. Gujarat Vidyapith was started as a national educational

institution. The main objective of the institution is to contribute to the reconstruction of the country according to the ideals given by Mahatma Gandhi Ji . The initiative aims to prepare workers who are of character , energetic and dedicated to the nation .

Accordingly , the education system of Gujarat Vidyapith includes community work , hostel life , social service , group life, worship, simple and self-reliant life , work experience and participation in field work , labor and cleaning, spinning and industrial work . The education program has been linked to the national needs of rural upliftment , so that education is promoted to the grassroots levels of society. The vision of Gujarat Vidyapith is to carry out experiments in various fields of education to develop Gandhian thought and values in all aspects of education .

, Sardar Patel , Dr. Rajendra Prasad , Morarji Desai , Ramlal Parikh , Dr. Sushila Nair , Navin Chandra Barot , Navalbhai Shah , Ravindra Verma , Narayan Desai , Ila Bhatt served as the Vice Chancellor of Gujarat Vidyapith . Currently , Acharya Devvratji is serving as the Chancellor .

Goals

1. The main task of the Vidyapeeth is to prepare characterful, energetic, cultured and dutiful workers for the ongoing activities to transform the country according to the ideals given by Mahatma Gandhi.
2. The teachers and administrators of the Vidyapith will be committed to accepting and implementing only those tools that are non - violent and non-contradictory to truth .
3. The administrators and teachers of institutions run by and approved by the Vidyapeeth shall consider untouchability as a stigma and shall endeavor to eradicate it and no child shall be kept out or treated unfairly after admission on the grounds of being untouchable.
4. The teaching staff, administrators and approved institutions etc. working in connection with the Vidyapeeth shall be those who believe in the activities of the Rentiya and shall regularly spin and wear Khadi unless there is a compelling reason.
5. The native language will be given priority in the Vidyapeeth and all education will be imparted through the native language.
Explanation : There is no obstacle to using the same language when teaching other languages.
6. The national language Hindi-Hindustani will have an essential place in the university.
Note : Hindi-Hindustani is the language spoken by common Hindus and Muslims in the north and written in the Devanagari or Persian script .
7. Industrial education will be given equal importance in the Vidyapeeth as intellectual education and the industries that are the sustenance of the nation will be given a place, and not others.
8. The progress of India depends not on the cities but on the villages, therefore most of the funds of the Vidyapeeth and the teachers of the Vidyapeeth will be mainly used in promoting national education in the villages.

9. The needs of the villagers will be given priority in formulating the order of education.
10. In the institutions running under the Vidyapeeth, there will be complete respect for all prevalent religions, and religious knowledge will be imparted for the self-development of the students, keeping in view non-violence and truth.
11. For the physical development of the people, training in exercise and manual labor will be considered essential in the educational institutions.

By the pen of the Chancellor

Dear friends ,

Founded by Mahatma Gandhi in 1920 as part of the movement for independence from British rule I feel great pleasure in welcoming you to Gujarat Vidyapith .

At the precious moment of the establishment of Gujarat Vidyapith , Mahatma Gandhi ji had compared this work with "Rishikarya" (a sacred work). From this it is clear that , Mahatma considered ' service of the motherland as a sacred work ' . The resolution and objectives that were conceived at that moment were also in the name of ' service of the nation in the spirit of nationalism ' . It is clearly stated in its mission that Gujarat Vidyapith will work to empower the youth with self-respect and make them committed to serving the country and society . In its 104 years of proud history , Gujarat Vidyapith has well followed the aims and objectives laid down by Mahatma Gandhi Ji at its foundation .

In addition to adhering to Gandhian values of simple living and high thinking, In education at Gujarat Vidyapeeth , special emphasis is given to the aspects of character building and all - round development of the youth so that the students can be able to develop their own independent employment in the direction of job creation after graduation . Gujarat Vidyapeeth also takes care of developing the qualities of commitment , sense of social service and preservation and enhancement of the entire environment in the students . Basically , higher Education addresses issues affecting the well-being of society , knowledge creation and maintenance of the existing knowledge system . Gujarat Vidyapeeth takes all care to make the student aware of their responsibilities towards the society and the motherland. Gujarat Vidyapeeth provides opportunities to the students through National Service Scheme , Social Engagement Camps , Industry Engagement They practice making and developing appropriate to the demands of the time by engaging in such activities .

The green campus of the Vidyapeeth is vibrant and vibrant with academic and co-curricular activities that keep students connected with experts from various fields , erudite teachers and committed servants . We emphasize classroom teaching , self -study, extension and research work on a regular basis as per the National Education Policy (NEP - 2020) .

Gujarat Vidyapith offers various undergraduate, postgraduate and post - graduate courses where students get to choose from a wide range of multidisciplinary , value-added and skill-building courses .

The magnificent library , publishing activities, museums, archaeological sites, and the Institute of Indian Language and Culture provide opportunities for students to broaden their intellectual horizons . Furthermore, Shirmore Swimming Pool, Sports Complex, Health Facility Health Center , Auditorium and Mandapam provide a platform for cultural expression, which provides opportunities for the all-round development and personality development of the student .
